

Beauty of the Peace

ART COMPETITION

in partnership with

GRANT BERG GALLERY

Jim Pattison Broadcast Group along with Grant Berg Gallery, would like to welcome artists to the Beauty of the Peace art competition.

We feel this is a great opportunity to showcase artists in the Peace Region of Alberta and BC. The Beauty of the Peace is promoted through Big Country 931 FM, Q99 Grande Prairie's Greatest Hits, and EverythingGP.

Contest entries must represent Beauty of the Peace.

Selected entries will be put on public display as space allows and will be for sale in the Grant Berg Gallery in Downtown Grande Prairie. During the exhibition, works entered for competition will be judged by a people's choice ballot. The winner will earn representation at the Grant Berg Gallery until the end of April 2022, as well as a limited edition print of their artwork.

Thank you for sharing your creative talents and capturing the Beauty of the Peace.

The staff at Grant Berg Gallery have taken every precaution possible to ensure the legitimacy of the voting procedures and trust that the voting public will choose the entry that they feel is the best in the competition. This competition is open to artists 18 years of age or over and are not currently represented by a professional gallery in the Peace Region. For questions regarding eligibility please contact Grant Berg directly.

All works must be completely original to be eligible for contest entry. The artists work must be conceived from an original idea developed from his or her imagination. This means that your artwork CANNOT be a copy or replica or study of another person(s); photograph(s) or artwork(s) of any type. Any violation to these rules will result in disqualification from the contest and possible legal action from the infringed copyright holder. If you are basing your original artwork on a photograph, then the photograph must be taken by the artist personally and must be included with the submission entry. All works must be original in that no instructor was present before or during the final product. This includes student art works, paint nights, paint party's, etc. Discovery of such will lead to disqualification.
